CORPORATE XMAS AT PALAIS MASCOTTE

A Zurich night with history.

Since 1916, Palais Mascotte has been a place of dancing, celebrating and Zurich nightlife history. A house full of music, encounters and memories. And since forever a place for nights that stay with you.

Whether an exclusive dinner above the rooftops of Zurich, the entire Palais Mascotte club just for you and your guests, or your own area in the middle of the bar and club: you decide how big, how private and how long your night should be.

01

STUDIO CORSO / UNA NOTTE ITALIANA

As individual as you are: we shape your Xmas flexibly, personally and in line with your budget.

A long Italian night with the freedom and escapism of Studio 54. Generous tables, full glasses, the lights of Zurich at your feet. And an atmosphere in which, for a few hours, everything is allowed to feel a little lighter and freer.

Studio Corso combines Italian passion with that legendary disco energy where the people, the music and the moment shape the evening. You share, you refill, you linger in conversation, and at some point you notice that dinner turned into night long ago. A little Milano, a touch of New York and the desire to escape the everyday together.

The DJ sets the rhythm: Italian classics and warm soul to arrive, later Italo disco, funk and selected disco and club sounds. The sound grows freer with every hour, the conversations livelier, the light deeper. Slowly the tavola becomes a dancefloor, unannounced, simply at the right moment.

A little glamour is part of it. Above all, that special feeling of a night in which hierarchies, calendars and to-do lists stay outside for a few hours. Eat, drink, laugh, dance. Una Notte Italiana, high above Zurich.

STUDIO CORSO

Dinner, drinks & the transition into the night.

For up to 40 guests, Studio Corso is a seated dinner at long tables. For up to 80 guests we serve the concept as a flying dinner, more open and in motion, with more room for encounters and spontaneous moments.

And when, above the rooftops, dinner has long turned into night, the Palais Mascotte club is only a few steps away.

MENU

Italian antipasti and small classics to start, pasta and risotto to share, and selected, newly interpreted dinner favourites. To finish: tiramisu.

Up to 40 guests: seated dinner

Up to 80 guests: flying dinner

DRINKS

Italian wines, prosecco, aperitivo classics, selected signature drinks and non-alcoholic companions.

Drinks exclusive.

From 100 guests, the Palais Mascotte club is exclusively yours. A Zurich legend where Falco once celebrated his own XMAS party. Dinner, drinks and DJ sound merge into your private club night, with no public guests and no change of venue.

Up to 150 guests can be seated for dinner; up to 300 experience the concepts as a flying dinner with a seamless transition to the dancefloor.

XMAS AT THE GALLERY

A PRIVATE SETTING, IN THE MIDDLE OF THE NIGHT

As individual as you are: we shape your Xmas flexibly, personally and in line with your budget.

For a particularly relaxed setting, we offer exclusive packages in the gallery of Palais Mascotte. You have your own area while being right in the middle of the energy of the regular bar and club.

All menu variations are available as a flying dinner. Selected drinks, the sound of the night and direct access to the dancefloor combine privacy with true Palais atmosphere.

XMAS IN THE GALLERY & CLUB

Dinner done. Night on.

Dinner is behind you, the night still ahead. At Palais Mascotte, the part of the evening that needs no seating plan begins now.

Whether at the bar with a DJ or later during the club night: from as few as five people you can secure your own lounge, up to larger groups of around twenty guests. Your own retreat with good drinks, in the middle of the energy of the house.

If you want to connect dinner and night directly, take over our gallery exclusively. Flying apéro, selected drinks, music and the view into the Palais create a private setting without cutting you off from the action.

Your space. Your guests. And the night right outside the door.
